We, the Board of Directors of the North Carolina Companion Animal Academy would like to thank the members for making our sixth year a success. Our membership enrollment has steadily increased and the participation at the one day meetings, the 1st Flight Veterinary Conference and **Ralph Lee's Great Smokies** Veterinary Conference has been outstanding. We encourage our veterinary colleagues and technician staff to enroll and participate in the North Carolina Companion Animal Academy for the upcoming year where everyone can have an enjoyable time learning and sharing information with one another and our excellent selection of great speakers and vendors will ensure our fellow veterinarians and technician support staff the most up-to-date continuing education available. Be sure to take advantage of our pro-rated membership for your entire staff. Again thanks for your support and look forward to seeing you at the meetings.
