As we enter our seventeenth year of service, the Board of Directors of the Virginia Academy of Small Animal Medicine would like to thank the members for making our academy a success. Our membership enrollment has held steady and the participation at the one day meetings and the Colonial Veterinary Conference has been outstanding. In 2012, the VASAM will continue to hold the Shenandoah Valley Veterinary Conference in the heart of the Shenandoah Valley and look forward to your support. We encourage our veterinary colleagues and technician staff to enroll and participate in the Virginia Academy of Small Animal Medicine for the upcoming year where everyone can have an enjoyable time learning and sharing information with one another and our excellent selection of great speakers and vendors will ensure our fellow veterinarians and technician support staff the most up-to-date continuing education available. Be sure to take advantage of our pro-rated membership for your entire staff. Again thanks for your support and look forward to seeing you at the meetings.
